Where do you want to go with your FM career?

Find your way with an IFMA Credential.

IFMA credentials will set you apart from your peers and pave the way for professional growth and success. You will gain new knowledge to apply to your current position and gain transferable skills that are relevant across FM positions.

Wherever you are in your career, IFMA offers a credential that’s right for you:

- Facility Management Professional (FMP®)
- Sustainability Facility Professional (SFP®)
- Certified Facility Manager (CFM®)
Why earn an IFMA credential?

**Stay current with your profession.**
Increasingly, employers expect facility managers to demonstrate and apply knowledge of key FM topics for the benefit their organizations. Recent updates to the facility management body of knowledge ensure your IFMA credential is globally recognized and encompasses current trends and best practices.

**Distinguish yourself.**
In today’s competitive job market, a credential puts you ahead of the competition.

**Invest in your future.**
Earning a credential is one of the most important career decisions you can make. On average, FMs with credentials earn more than their non-credentialed peers.

**Earn a lasting, competitive edge.**
An IFMA credential is a tangible sign of your success that will go wherever your career takes you.

**Demonstrate your leadership and initiative.**
Earning a credential is a challenging endeavor that shows drive and commitment.

**Enhance your professional network.**
Once you earn an IFMA credential, you’ll join an accomplished group of FM leaders from across the globe.

**Employers value IFMA credentials.**
- 79% of organizations prefer or require an IFMA credential when hiring, promoting or making salary decisions about FM professionals.
- 74% of employers feel that the overall reputation of the FM team is improved by having their employees earn an IFMA credential.
- 70% of employers state that an IFMA credential stimulates strategic thinking.
- 84% of employers feel that an IFMA credential increases job confidence.
- 84% of employers state that IFMA credentials increase the collective FM knowledge of their organization.

Preparation for the CFM Exam

IFMA Facility Management Learning System®

CFM candidates have a variety of preparation resources available to them including the new IFMA Facility Management Learning System and the CFM Exam Prep Workshop.

- Competency-based certification for experienced FM professionals who meet education and experience requirements.
- Earn the CFM by passing a comprehensive exam based on the FM body of knowledge competency areas.

"I want to earn the premier FM certification for experienced professionals."

The 11 competencies in the FM body of knowledge and tested on the CFM Exam are:

- Communication
- Emergency Preparedness and Business Continuity
- Environmental Stewardship and Sustainability
- Finance and Business
- Human Factors
- Leadership and Strategy
- Operations and Maintenance
- Project Management
- Quality
- Real Estate and Property Management
- Technology

The IFMA SFP Credential Program is a comprehensive, convenient training program that includes everything you need to master core FM knowledge and skills, test your comprehension, and earn the SFP credential.

- Comprehensive print and/or eVersion materials
- Interactive online study tools
- Online SFP final assessments
- Available as one complete series; self-study or instructor-led

"I want to earn the leading credential for the development of sustainable FM strategies."

Envision, plan and implement strategic sustainability programs for your facilities to impact your organization's economic, environmental and social bottom lines.

- Assessment-based specialty credential with no prerequisites.
- The SFP credential covers sustainability across the broad scope of FM:
  - Strategy and Alignment for Sustainable Facility Management
  - Managing Sustainable Facilities
  - Operating Sustainable Facilities

"I want to earn the must-have credential in facility management."

Enhance and demonstrate your knowledge of the core FM topics deemed critical for success in FM positions. Earning the FMP proves to your current and prospective employers that your abilities meet or exceed industry-wide standards.

- Assessment-based credential with no prerequisites and no ongoing maintenance requirements.
- The FMP credential covers these topics:
  - Operations and Maintenance
  - Finance and Business
  - Project Management
  - Leadership and Strategy

Who is IFMA?
The International Facility Management Association (IFMA) represents, supports and unites the largest global community of facility management practitioners, consultants, educators, students, and product and service providers in the industry. These members manage more than 37 billion square feet of property and annually purchase more than US$100 billion in products and services.

More information: www.ifma.org
IFMA membership is annual. Membership is renewed on the anniversary of the date your application was approved. Your option to renew each year is indefinite. We ask that each membership applicants support the purpose, vision, mission, goals, core values and Code of Ethics of the association. Membership is individually based and is non-transferable and non-refundable. Membership nationally and locally is a total of $301.00 per year for a basic professional or associate level.
